Plan to meet GMS / PMS 2014-15 Contractual Requirement for Patient online Service

This practice currently offers patients' facilities to book, view, amend, cancel and print appointments online. This practice currently offers the facility for all patients to order online, view and print a list of their repeat prescriptions or medicines and appliances.

This practice plans to offer patients facilities to view on line, export or print any summary information from their record, relating to medications, allergies, adverse reactions and any other items agreed between the practice and individual patient, from **March 2015**, subject to the availability of NHS GP systems and software.

We will publicise and promote our online services to our practice patients through the practice website, practice waiting room leaflets, posters and the Patient Participation Group by **January 2015** date.

	Planned activity	Date
1	Agree the initial group of patients to use access to records	December 2014
2	Write up practice procedure and ensure staff aware	January 2015
3	Prepare promotion and information for the patients	January 2015
4	Commence summary information access to records for patients in practice who request this and publicise online services to patients through website and PPG	March 2015
